

AMENDMENTS TO THE DRAWINGS:

The attached drawing(s) include changes to FIGs. 2 and 3. The replacement sheet containing FIG. 2 replaces the previous sheet including FIG. 2, and the replacement sheet containing FIG. 3 replaces the previous sheet including FIG 3.

In the Office Action at item 2, the Examiner objected to the drawings because the de-interleaver 233 (FIG. 2) and the de-interleaver 333 (FIG. 3) were erroneously labeled "interleaver 233" and "interleaver 333" in original FIGs. 2 and 3, respectively. In order to overcome these objections, replacement figures are submitted herewith. In FIG. 2, the interleaver 233 has been re-labeled "de-interleaver 233." In FIG. 3, the interleaver 333 has been re-labeled "de-interleaver 333."

Approval of these changes to the Drawings is respectfully requested.
